- 2) *Collaborative Provision of Education, including Placements and Exchanges*

(both documents available at <http://www.admin.ox.ac.uk/edc/policiesandguidance/>)

Department to contact Senior Assistant Registrar for Education (Jane Dale) and Educational Policy Officer (Jonathan Ellis) to discuss.

University and Divisional consultations / Course Committee Minutes

Course Committees to provide Divisional Officers with:

- responses to University Education Committee and Divisional consultations;
- course committee minutes/reports (each term)

E-mail response to consultations to Divisional Officers as directed (Jane Dale/Jonathan Ellis).

E-mail Committee minutes/reports to Aga Bush (Education and Funding Officer) and Jonathan Ellis

Student Feedback

Review course-level feedback for:

- a) induction programme,
- b) teaching,
- c) other course aspects

Identify:

- a) any areas of concern for further work and development
- b) significant improvements for wider circulation amongst teaching staff
- c) good practice for dissemination across the division

Action by course committees.

Examiner & Assessor Remuneration

Organisation of payments for examining / assessing duties associated with the last academic year / examination round.

In each term applicable to an exam, Taught Degrees Team (Examination Schools) distributes electronic spreadsheets (a.k.a. the 'Chair's Forms') to Chairs of Examiners / Exam Board Administrators for recording the payments due to examiners and assessors for the last examination round.

Chairs of Examiners approve the completed form and forward to Education and Funding Officer (Aga Bush) for divisional approval.

Education and Funding Officer returns approved form to Taught Degrees Team for processing in liaison with the Finance Division.

Expenditure statement for each examination code sent from University Finance to the Divisional Office Finance Team.

Preparation for and consideration of Divisional/ Education Committee reviews of faculties and departments

Ongoing cycle of departmental reviews to ensure educational provision maintains academic standards and quality of learning opportunities for students.

Departments, Divisional Officers and/or Education Policy Support Officers to plan, collate information and consider key documentation in preparation for upcoming reviews.

Divisional Officers coordinate reviews with the appointed Chair and the Secretary to the review produces a report.

Departments receive the review report for consideration at local committees and:

- i) Provide responses to any significant areas of concern identified related to academic standards and the provision of information
- ii) Consider recommendation for quality assurance improvements and quality enhancement
- iii) Produce an action plan for Divisional consideration

Divisional Audit-Sub Committee and Educational Policy & Standards Committee must receive departmental responses and action plans arising from the review report, and report outcomes to relevant sub-committees of the Medical Sciences Board.

Consideration of reports from Professional, Statutory or Regulatory Bodies (PSRBs)

THROUGHOUT THE YEAR

Keep under review information released by PSRBs in relation to associated course and possible impact on educational provision.

Departmental and Divisional Officers to ensure PSRB reports and papers relating to changes in PSRB arrangements are considered by Undergraduate Studies Committee (USC) and Educational Policy and Standards Committee (EPSC).

Divisional Officers (Jane Dale, Jonathan Ellis, and Aga Bush) manage the register of PSRBs and externally accredited partners and make it available to USC and EPSC once per calendar year.

Course Committees

At the first meeting of the academic year, all course committees to:

- a) review their:
 - terms of reference,
 - composition, and
 - membership,
- b) establish how student representatives will communicate between committees and their peers.

Report any significant proposals for change to the divisional Undergraduate Studies Committee (USC) via Jonathan Ellis (Educational Policy Officer).

Identification of Academic Objectives for the Year

Confirm year's specific academic activities in the light of any review outcomes, departmental plans, divisional five-year plans, the University's Strategic Plan.

Useful reference documents:

Divisional Plan: available on request

Examination Reports – Course Committee Consideration

Conduct annual review of examiners' reports to monitor teaching/assessment standards and outcomes.

1. Identify:
 - a) any changes that the examination process might have given rise to concerning:
 - the content of the course
 - teaching methods and/or
 - existing methods of assessment
 - compulsory and/or optional elements of the course
 - b) any need to review specific options;
 - c) the overall standard of performance in the examination, including any trends in results (especially in relation to gender) or in relation to particular areas of the curriculum;
 - d) any possible changes in examination conventions, procedures, or regulation suggested by the examiners' experience of the assessment process;
 - e) review student facing documentation (conventions, student handbook) and suggest amendments or improvements based on report findings.

Board of examiners produces a report which should be considered by the relevant course committee(s) at the first available opportunity.

External examiners' reports sent to Division (Aga Bush) and forwarded to Course Directors, Course Administrators and Chairs of Examiners as received.

Note: Courses Committees to forward to Division (Aga Bush) all External Examiner reports received directly from examiners if evident that these have not been sent to Division.

2. Agree consequential actions.
3. Draft response to External Examiner/s.
4. Produce report on examinations for the divisional Audit Sub-Committee (ASC) consisting of:
 - the Chair of Examiners' report,
 - copy of the Examination Conventions,
 - the External Examiner/s' report/s,
 - report of Course Committee discussions regarding examiners' reports, and
 - draft response to External Examiner/s to be received by Audit Sub-Committee (ASC)

Publish examination reports in the Oxonly domain for student consumption, having checked that reports do not enable candidates to be identified (ensure conversion of numerical data to percentages, and remove Part II Section E of the report).

Note: publication is not required for courses/examinations/ papers/individual questions involving fewer than 6 students.

Course Committees to produce a report (See 4.) by **Week 7 of Michaelmas Term** for consideration at the divisional Audit Sub-Committee at the end of Michaelmas Term (send to Jonathan Ellis and Aga Bush).

Summary of ASC Committee report submitted to Education Policy Support (EPS) which:

- i) confirms that a response has been provided to all external examiners
- ii) confirms that the division has carried out its oversight function
- iii) identifies any specific issues or arising themes that the Division wishes to draw to Education Committee's attention

Complete and submit Examiner Nomination forms with details of nominees, including:

- a) Internal Examiner Supporting Information Form – for each new nominee
- b) CV plus External Examiner Supporting Information Form – for each new External Examiner

Useful reference documents:

Divisional Guidance on Nominations circulated to course committees and administrators.

Taught Degrees Team (Examination Schools) to distribute nomination forms to course committees.

Course Committees to return completed nomination forms to Aga Bush (Education and Funding Officer) by set deadline (including Supporting Information forms and CVs as necessary).

Aga Bush to seek approval from Deputy Head of Division (Education) on behalf of the Medical Sciences Board and to submit approved forms to Taught Degrees Team (Examination Schools).

Taught Degrees Team to calculate the payment route (accounts payable / casual payroll), identify missing information and request it from the relevant Exam Board Administrator. Once information is received, Taught Degrees Team to process nominations and seek Proctorial and PVC (Education) approval.

Nomination of Assessors

In order to comply with the University requirement that **the process of approval must be successfully finalized before Assessors commence any work**, the main batch of assessors should be nominated for approval not later than the term preceding the one in which these assessors will be needed (i.e. Assessors needed from Hilary term onwards should be approved in Michaelmas term).

All nominees, if successful, are approved for the whole academic year (i.e. not for any specific term).

Further assessor nominations (emergency covers, expert markers needed in a specific term only, etc.) may be put forward for approval at other times throughout the year.

Complete and submit Assessor Nomination Forms with details of nominees including Assessor Supporting Information Forms for each new nominee.

Useful reference documents:

Divisional guidance on nominations circulated to Chairs of Examiners and Exam Board Administrators.

Aga Bush to seek approval from Deputy Head of Division (Education) on behalf of the Medical Sciences Board and to submit approved forms to Taught Degrees Team (Examination Schools).

Taught Degrees Team to calculate the payment route (accounts payable / casual payroll), identify missing information and request it from the relevant Exam Board Administrator. Once information is received, Taught Degrees Team to process nominations and seek Proctorial and PVC (Education) approval.

Course Committee to:

- a) consider annual National Student Survey (NSS) results
- b) identify any areas of concern for further work and development
- c) identify significant improvements for wider circulation, e.g. in response rates, assessment and feedback rates;

and

provide for consideration by the division two reports (UG and PG) consisting of:

- i. an extract of the minutes of the committee at which the student survey results were considered, and/or a commentary describing consideration;
- ii. any actions agreed locally;
- iii. any issues or proposed actions they wish to be considered by the division

NSS results distributed by Educational Policy Officer (Jonathan Ellis) for review by course committees.

NSS results reports (format set out on the left) to be received by **Michaelmas Week 5** (send to Jonathan Ellis) for discussion at the first Undergraduate Studies Committee (USC) in Michaelmas Term.

University Education Committee report on NSS may also be provided for discussion at course and /or divisional education committees.

Division will provide QASC with reports (UG and PG) **by Early Hilary Term** which confirm that consideration of student feedback has been undertaken by all course committees, and will note areas of particular concern or improvement and planned action.

OUSU

Collection of Student Representatives' details.

OUSU Academic Representation Officer (Matt Tennant) to request (via e-mail) details of Student Representatives from course administrative teams.

OUSU Academic Representation Officer to provide Division with list of student representatives following elections in **early Michaelmas Term**.

Complaints

Review complaints and appeals over the last academic year

Courses to complete annual divisional on-line questionnaire to report on complaints and appeals from the previous academic year.

Completion of UG Quality Assurance Questionnaire

Complete on-line Quality Assurance Questionnaire:

- a) confirming key elements of quality assurance are in place, and/or identifying where action is needed
- b) identifying areas of quality enhancement

Note: This questionnaire is completed once every three years and is taking place in MT15 (to report on 2014-15 academic year).

URL link to on-line questionnaire distributed (via Division) to Directors of Undergraduate Studies and Course Administrators for completion.

Questionnaire to be completed by **20th November 2015**.

On-line results made available to Divisional Officers for analysis and report.

Destination of Leavers from Higher Education (DLHE)

Consideration of DLHE data at Divisional level to look at key characteristics of the student population and cascade analysis to all/specific course committees depending on the evaluation.

Divisions to identify any actions to be taken at course or division level, or to be considered by the appropriate body at University level.

Destination of Leavers from Higher Education (DLHE) data to be considered at the first meeting of the Division's Audit Sub-Committee in Michaelmas Term 2015 (W10 or W11 TBC).

Actions arising from evaluation to be communicated to appropriate bodies during Michaelmas Term 2015/Early Hilary Term 2016.

Teaching Excellence Awards

The biennial Divisional scheme runs in conjunction with the University to recognise and reward individuals and teams for excellence in teaching and supervision, the organisation of teaching, and support for teaching and learning within a research-intensive environment. The next round of nominations/applications will open in 2017.

Division disseminates information on scheme to departments and Course Committees, for advertisement / action as appropriate.

Applications / nominations sent to Division (Aga Bush) by set deadline.

Key Information Sets (KIS) & Tutorial Norms

Directors of Undergraduate Studies and Course Administrators to:

- a) confirm that KIS teaching and assessment data remains accurate, and/or
- b) incorporate any amendments arising from changes to course structure, teaching and assessment arrangements etc.
- c) review tutorial norms, which set out the amounts of tutorial teaching recommended for different elements of each undergraduate course
- d) ensure admissions information corresponds with KIS data and requirements for provision of information to prospective students
- e) include revised tutorial norms in course handbooks.

Division disseminates Key Information Set teaching and assessment data for review.

Revised data sets to be returned to the Educational Policy Officer (Jonathan Ellis) by **Week 0 in Trinity Term**, for transmission to Student Administration.

Student Administration to submit full, updated Key Information Sets to HESA for publication on UNISTATS website (<http://unistats.direct.gov.uk/>).

Division to prompt and advise on review/updates to admissions information.

Tutorial Norms supplied to Conference of Colleges via Division.

Admissions

Annual review of undergraduate admissions exercise:

- a) consider in particular any trends in relation to key demographic characteristics including sex, ethnicity, gender, disability;
- b) identify any trends in numbers, source and quality of applications;
- c) use of English language waivers;
- d) consider over-offer rations, withdrawals and take-up of places;
- e) selection process particularly in light of Divisional Funding Competition rules – i.e. minimum interview requirement;
- f) availability of other funding (i.e. other than Divisional Funding Competition);
- g) procedures for the forthcoming admissions round;
- h) review of target numbers;
- i) confirm admissions processes are meeting the requirements of the *Common*

Undergraduate admission statistics are published annually in January and are available through the University website – link TBA.

Statistics for the previous year's admission cycle should be scrutinised by the relevant Course Committee against the criteria set out in the University's Procedures for the annual monitoring of courses (set out on the left).

Undergraduate Studies Committee (USC) to contact specific courses if some aspects of its admissions data require follow up.

Framework <http://www.ox.ac.uk/admissions/undergraduate/applying-to-oxford/decisions/common-framework> and the University Access Agreement <http://www.admin.ox.ac.uk/edc/access/>

- j) note the report any changes in or enhancements to process or practice for subsequent admissions rounds.

Student Feedback - Barometer

In 2015/16 all full time and part time matriculated students will be surveyed through the Student Barometer, with the exception of:

- a) Undergraduates in their final year - these students are surveyed in the National Student Survey.
- b) Students of the Doctor of Clinical Psychology - these students are surveyed separately.
- c) Students in years 2 and 5 of the standard medical course and students in year 3 of the graduate-entry medical course
- d) Part-time students on non-matriculated courses.

Data available in mid-Hilary Term through Tableau Public software at <http://www.ox.ac.uk/students/life/feedback> (no login required)

Barometer results to be reviewed by Course Committees and subsequently by divisional Undergraduate Studies Committee (USC).

Annual Programme Statistics (APS)

Divisional Officers to review annual statistics produced by Student Data Management and Analysis (SDMA) and consider where there are issues of performance between students with different characteristics at the divisional and course/departmental level

Statistics are located at:

<https://weblearn.ox.ac.uk/portal/hierarchy/central/aad/adm/sdma/reporting/aps>

APS considered by Course Committees via Examiners' Reports (see below)

Divisional Officers to review statistics. Statistically significant data is drawn to the attention of the GSC, ASC, Course Committees, and EPSC or to University level bodies as appropriate.

University Education Committee reports on the APS may be provided to divisional education committees and/or Course Committees for discussion.

Nomination of Assessors

Review list of approved Assessors (available on Examiner Appointments 2015/16 Weblearn site) to identify whether additional nominations for the Trinity Term Examinations need to be put forward for approval.

If so, complete and submit Assessor Nomination Form with details of nominees, including Supporting Information Forms for each nominee who has not been formally approved as Assessor/Examiner before.

Note: The process of approval must be successfully finalized before nominees commence any work.
